Nero

Two Steps From Hell

Nero
He can be anywhere on earth
And still be there for you
Nero
He can do anything in life
While you're feeling lost and lonely
But I swear - he will care

Nero
Only when dreams have died
It's time to say goodbye
Ooh Nero
You can stand any pain
With a smile on your face - I swear

Nero
Just smile
So destiny won't keep you crying
Nero
Let your heartlight find a way
Let everybody know what you say

Nero
He can bear anything
Except your tears - I swear
Ooh Nero
He can fight anyone
But he's caught in your love - I swear

Nero...
Nero
He can be anywhere
And still be there for you
Nero
I see you standing there
With a smile on your face - I swear
