2-4, bitch I feel like Kobe  
2-4, bitch I feel like Kobe  
2-4, bitch I feel like Kobe  
2-4, bitch I feel like Kobe2-4, bitch I feel like Kobe, I done made it  
Couple niggas turned they back, I'm just glad they faded  
Me and Glizzy ran it up, bitch we finally made it  
Platinum without a label, nigga, I'm the greatest  
They say these niggas hatin', I don't give a fuck  
Now all these bands give me paper cuts  
Hundred bands, gotta run ya bag up  
Any means, gotta get the sack up  
Niggas bummin' while they need to chase bands  
How you hate, then you wanna shake hands?  
Big folks, leave you in a big jam  
They slide down in a black van  
Hit a block, you still on that  
You really with static, we tote automatics  
That Glock got kickback  
I need my protection, I keep me a weapon  
It's hot, you know that  
Apply all the pressure, that keep me on level  
You niggas want static should know that I'm clever  
I'm smooth like a feather, I'm killin' me never2-4, bitch I feel like Kobe  
2-4, bitch I feel like Kobe  
2-4, bitch I feel like Kobe  
2-4, bitch I feel like Kobe  
2-4, bitch I feel like Kobe  
2-4, bitch I feel like Kobe  
2-4, bitch I feel like Kobe  
2-4, bitch I feel like Kobe  
Bitch, I'm spinnin' the block  
Still here, I bounce out with the mob  
Money talk, let's go straight to the top  
Niggas mad but they tummy is not, I'm speakin' the facts  
You playin' them games while I'm chasin' the sack  
Try to take mines, you get left on your ass  
You talk money, but you don't got no bag  
I'm gettin' the cash, so you know I'ma brag  
Go to Wendy's, get a 4 for \$4

I'm the same nigga, still number four  
Still bouncin' out with them.44s  
Still the same nigga at your front door (come play lil nigga)

You niggas want static should know that I'm clever  
I'm smooth like a feather, I'm killin' me never2-4, bitch I feel like Kobe
