

No Place Like Home

Randy Travis

Well there's my easy chair, just sittin' there
I've spent a lot of time
Thinkin' of this perfect love
I know is yours and mine And oh, I know how I love that old picture on the wall
Of you and me and the kids
My most favorite times in life
I've spent right here where we live There's no place like home
There's no place like home
It just hit me as I was leavin'
There's no place like home From the bedroom, I smell perfume
My favorite kind you wore
And it brings back memories of all those nights
Behind our bedroom door And the saddest thing, I think, I've ever seen
Was my closet all cleaned out
It's sad to think that one must leave
'Coz we can't work things out There's no place like home
There's no place like home
It just hit me as I was leavin'
There's no place like home So, baby, say that I can stay
For just a day or so
Then maybe I can change your mind
And I won't have to go Just look into these baby blues
And tell me it's okay
I love that smile, it drives me wild
No, love won't die today There's no place like home
There's no place like home
