Chill Out

Black Uhuru

One of these days
Things gonna change
One of these days
Tings gonna change

You'll try not baby
Afterwhile gonna be mine
Gonna be mine
One of these days

I'm old and lonely baby
Cry, cry, crying
Won't be long, long
Things gonna change

Sometime
In the middle of the night
And you're so long
And so long and so long

Tings gonna change
Things gonna change
Change, change, change
Tings gonna change

Further on up the road, baby
Things gonna change
Change, change, change
Change, change, change

Change, baby
You'll try not to leave
But after while gonna be mine
My time my time baby

Things gonna change
Change, change, change
Change, change, change
Things gonna change

Yes it is
Things gonna change
Change change change
Change change change

Change change change
Change change change

Things gonna change
Things gonna change
Things gonna change

Things gonna change
Change, change, change
Things gonna change
