Alive And Running

Kristian Stanfill

Salvation came to us
Now we are free forever
Made alive by the Savior's touch
Now death can't hold us under
Right here, right now
Come bring Him adoration
Rise up, sing out
This song of joy and freedom
We have seen the Son
Jesus, risen One
His light came down to us
Now we're alive and running to the world
Beauty revealed to us
Our eyes are wide with wonder
Caught by the brightness of
The glory of the Father
Our eyes have not seen
Something so captivating
We'll go where You lead
To the ends of the earth proclaiming
There is none shining brighter
Than the Son of the Father
Who has come to bring freedom
To the heart of man
You shine brighter
Than the brightest light
That the world could show
