

Like You Love Me (feat. Reek Da Villian)

Eric Bellinger

I don't even know your name
Or where you from
But I wanna make you feel
Like you're the only one!
If we got a problem here
I need you to know
I'll take you places you ain't never been beforeHypothetically of course
Round around now baby girl,
I'm just a stranger
Cause I... among yours
Girl, quit playing,
I'm that nigga that you came for
You're bad and you know
That you got what I want, baby
So I'm do it like a lion, do it like a lion
Do it like a lion, do it like a lion
Tonight, you gonna like it
You've been mine, and you're right, girl!
You gonna do it like you love me
Do it like you love me
Do it like you love me
Do it like you love meCall me young Kelly, cause I wanna see your eye
And I don't see nothing wrong
With a little bumping grind
I know you know just how to do it
So baby, go and do it
Hypothetically of course
Round around now baby girl,
I'm just a stranger
Cause I... among yours
Girl, quit playing,
I'm that nigga that you came forYou're bad and you know
That you got what I want, baby
So I'm do it like a lion, do it like a lion
Do it like a lion, do it like a lion
Tonight, you gonna like it
You've been mine, and you're right, girl!
You gonna do it like you love me
Do it like you love me

Do it like you love me
Do it like you love me I don't wanna play no games
I don't wanna waste your time
I don't even know your name
But I'll try to make you mine
So baby girl what they say
Cause bo, you're so damn fine
That I gotta throw shades on the night time
Cause I'm not gonna blind for the shine, you sweet thing
Nice dressing your feet...
What's that on your wrist?
She said will share my little bling bling
Girl, you're doing your thing thing
And I see you get that ching ching
Don't let me come and spoil you with all this chocolate jinxing
