

# Goodnight, Hollywood Blvd

[Ryan Adams](#)

It's happening baby  
They're putting up the chairs  
Taking the money  
And all we can do is pray  
Pray for tomorrow So close your eyes  
And close your mouth  
And do this all in time to the music  
That screams like a child in the back of your mind  
In a clown's saloon So goodnight Hollywood boulevard, goodnight  
See you soon  
Goodnight Hollywood boulevard, goodnight  
See you sometime  
See you sometime  
Yeah right, yeah right Run away baby  
Back to your lonely house  
You wanted the honey  
But you were only just stinging yourself  
It's hard to watch So I close my eyes  
And I close my mouth  
And do this all in time to the music  
That dances like fools set on fire  
Flailing their arms in a room full of whores So goodnight Hollywood boulevard, goodnight  
See you soon  
Goodnight Hollywood boulevard, goodnight  
See you sometime  
See you sometime  
Yeah right, yeah right  
Yeah right, yeah right  
Yeah, right
