

# Superstar (feat. Krewella)

## Pegboard Nerds

[Verse]

You're the superstar above me when the sun goes down  
The one and only who could light this town  
And when you're feeling like you're burning out  
I will remind you[Chorus]  
That you're a superstar and you don't need a golden crown  
Cause everybody needs a hero now  
And when the weight is like a million pounds  
I'll stand behind you  
Cause you're a superstar, a superstar  
Cause you're a superstar, a superstar  
Cause you're a superstar, a superstar  
Cause you're a superstar, a superstar[Chorus]  
You're the superstar and you don't need a golden crown  
Cause everybody needs a hero now  
And when the weight is like a million pounds  
I'll stand behind you  
Cause you're a superstar, a superstar  
Cause you're a superstar, a superstar  
Cause you're a superstar, a superstar  
Cause you're a superstar, a superstar[Chorus]  
I will remind you  
That you're a superstar and you don't need a golden crown  
Cause everybody needs a hero now  
And when the weight is like a million pounds  
I'll stand behind you  
Cause you're a superstar, a superstar  
Cause you're a superstar, a superstar
