Endless Flight (Album Version)

Leo Sayer

Keep me steady
Don't rock me all around
Lord, I don't wanna fall down
Understand me
I wish this jet was off the ground
Look around you
And tell me what you see
Are you afraid or is it me?
I hope we make it
I hope we don't fall in the sea
And it's gonna be an endless flight
Until we reach the ground tonight
Yes it's gonna be an endless flight I know
Like a flyin' bird in the night
The wind is strong but I hope I'm right
And this will be the end of this endless flight
Make me happy
Just let me see the light
I hope the runaway path is near
The look the captain gave
Was it confidence or fear
Oh, was it fear
And it's gonna be an endless flight
Until we reach the ground tonight
Yes it's gonna be an endless flight I know
Like a flyin' bird in the night
The wind is strong but I hope I'm right
And this will be the end of this endless flight
And it's gonna be an endless flight
Until we reach the ground tonight
Yes it's gonna be an endless flight I know
Like a flyin' bird in the night
The wind is strong but I hope I'm right
And this will be the end of this endless flight
And it's gonna be an endless flight
Until we reach the ground tonight
Yes it's gonna be an endless flight I know
Like a flyin' bird in the night
The wind is strong but I hope I'm right

And this will be the end of this endless flight
