Focus (Felipe Angel Remix)

[Ariana Grande](#)

I know what I came to do
And that ain't gonna change
So go ahead and talk your talk
'Cause I won't take the bait
I'm over here doing what I like
I'm over here working day and night
And if my real ain't real enough
I'm sorry for you baeLet's find a light inside our universe now
Where ain't nobody keep on holding us down
Just come and get it let them say what they say
'Cause I'm about to put them all awayFocus on me

I know you're hoping that I'll react
I know you're hoping I'm looking back
But if my real ain't real enough
