Love Under Will

Netherbird

I need to be alone tonight smother me or suffer
Lay down I'll die tonight smother me or suffer
When I'm gone wait here discover all of life's surprises
When I'm gone wait here I'll send my child my last good smileIf you pass through my soul tonight gather all his troubles
Tomorrow's long eternal night gather for tomorrow
When I'm gone wait here discover all of earth's surprises
When I'm gone wait here I'll send my child my last good smileBetween the cracks and hollows
The earth is good, the earth is good
Between the cracks and hollows
The earth is good, the earth is goodLay down lay down lay down for me
Lay down lay down lay down with me
When I'm gone wait here, discover all of life's surprises
When I'm gone wait here, I'll send my child, my last good byeBetween the cracks and hollows
The earth is good, the earth is good
Between the cracks and hollows
The earth is goodHey, embrace me someone's gonna suffer
Hey, embrace me someone's gonna suffer
Lay lay lay it on, lay lay lay it on me
Lay lay lay it on, lay lay lay it on me
Someone, lay lay lay it on, lay lay lay it on meSomeone, hey embrace me someone's gonna suffer
Lay lay lay it on, lay lay lay it on me
Yaa hey hey, [Incomprehensible] someone's gonna suffer
Sweet dreams my angel at last good bye
Sweet dreams
