Sunshine In The Rain

BWO

When I'm in Berlin you're off to London
When I'm in New York you're doing Rome
All those crazy nights we spend together
As voices on the phoneWishing we could be more telepathic
Tired of the nights I sleep alone
Wishing we could redirect the traffic
And we find ourselves a homeCan you feel the raindrops in the desert
Have you seen the sunrays in the dark
Do you feel my love when I'm not present
Standing by your side while miles apartSunshine in the rain
Love is still the same
Sunshine in the rain
Sunshine in the rain
Love is still the same
Sunshine in the rainEven if we call the highest power
We can only do one town a time
Words are not enough action speaks louder
Second time aroundCan you feel the raindrops in the desert
Have you seen the sunrays in the dark
Do you feel my love when I'm not present
Standing by your side while miles apartSunshine in the rain
Love is still the same
Sunshine in the rain
Sunshine in the rain
Love is still the same
Sunshine in the rainOh oh la la la
Oh oh la la laWhen I'm in Berlin you're off to London
When I'm in New York you're doing Rome
All those crazy nights we spend together
As voices on the phoneCan you feel the raindrops in the desert
Have you seen the sunrays in the dark
Do you feel my love when I'm not present
Standing by your side while miles apartSunshine in the rain
Love is still the same
Sunshine in the rain
Sunshine in the rain
Love is still the same
Sunshine in the rain
