You Got Me Hummin'

Cold Blood

I don't know what you got
But it's gettin' to me
It makes my cold nights hot
Hot winds just blow right through meOh, power
Baby, it's in your handsYou got me hummin' now
Yeah, you got me hummin' nowI wake up early at night
I can't get back to sleep now
I'm walking in a red light
Tired of talking, I try to sleep nowWhen I try to walk
That's when my feet, they start a runnin"Cause you got me hummin' now
Yeah, you got me hummin' nowI don't know what you got
But it's gettin' to me
It makes my cold nights hot
Hot winds just blow right through meWhen I try to walk
That's when my feet, they start a runnin"Cause you got me hummin' now
You got me hummin' now
