What Mercy Did for Me (feat. Joshua Sherman)

[Charity Gayle](#)

I was hopeless
I knew I was lost
Death and darkness were my only songs
I needed someone to come rescue me
Then mercy heard my pleaLord you found me
You healed me
You called me from the grave
You gave me your real love
I thank you Jesus
You washed my sins away
Oh Now I'm living like I'm forgiving
You came and set me free
That's what your mercy did for me
You gave me beauty for my guilty stains
And now I'm living today by his grace (yes I am)
So excuse me if I can't contain my praise
Cause I know that I've been changedLord you found me
You healed me
You called me from the grave
You gave me your real love
I thank you Jesus
You washed my sins away
Oh Now I'm living like I'm forgiving
You came and set me free
That's what your mercy did for meEvery morning mercy will restore me
I will proclaim
And even if the world should fall before me
I will proclaim
Lord you found me
You healed me
You called me from the grave
You gave me your real love
I thank you Jesus
You washed my sins away
Oh Now I'm living like I'm forgiving
You came and set me free
That's what your mercy did for meThat's what your mercy did for me
I know I know I know it did
That's what your mercy did for me

Your mercy's made new every morning
That's what your mercy did for me
