

# Gods & Monsters

## Lana Del Rey

In the land of gods and monsters,  
I was an angel.  
Living in the garden of evil,  
Screwed up, scared, doing anything that I needed.  
Shining like a fiery beacon,  
You got that medicine I need  
Fame, liquor, love, give it to me slowly.  
Put your hands on my waist, do it softly.  
Me and God we don't get along, so now I sing.

No one's gonna take my soul away,  
Living like Jim Morrison.  
Headed towards a fucked up holiday.  
Motel, spreeds, spreeds, and I'm singing,  
Fuck yeah give it to me, this is heaven, what I truly want  
It's innocence lost.  
Innocence lost.

In the land of gods and monsters,  
I was an angel, lookin' to get fucked hard.  
Like a groupie incognito posing as a real singer,  
Life imitates art  
You got that medicine I need  
Dope, shoot it up straight to the heart please  
I don't really wanna know what's good for me  
God's dead, I said 'baby that's alright with me'.

No one's gonna take my soul away,  
Living like Jim Morrison.  
Headed towards a fucked up holiday.  
Motel, spreeds, spreeds, and I'm singing,  
Fuck yeah give it to me, this is heaven, what I truly want  
It's innocence lost.  
Innocence lost.

When you talk it's like a movie and you're making me crazy,  
'Cause life imitates art.  
If I get a little prettier, can I be your baby?  
You tell me life isn't that hard.

No oneâ€™s gonna take my soul away,  
I'm living like Jim Morrison.  
Headed towards a fucked up holiday.  
Motel, sprees, sprees, and Iâ€™m singing,  
Fuck yeah, give it to me, this is heaven, what I truly want.  
It's innocence lost.  
Innocence lost.
