Love One Another

Kathy Troccoli

Look around the world today
There is anger, there is hate
Losing hope we're broken and in needAnd I know that it grieves His heart
When His people stand apart
'Cause we're the only Jesus, they will seeLove one another
And live as one in His name
We must love one another
We can tear down walls by His graceLove is patient, love is kind
Love is faithful, all of the time
It is never proud and never rudeDoesn't envy, doesn't boast
Doesn't seek it's own you know
It rejoices humbly in the truthLove one another
And live as one in His name, in His name
Love one another
We can tear down walls by His graceIf we all forgive each other
Jesus said
"Love, love one another
As I've loved you"We are one in the spirit
We are one in the Lord
We are one in the spirit
We are one in the LordWe are one in the spirit
We are one in the Lord
We are one in the spirit
We are one in the LordJesus said, "A new command I give you, love one another
As I have loved you, so you must love one another"
You see if we live as one ain His name
We can tear down walls by His grace
For He also says, "By this all men will know that you are My disciples
If you love one another"Love one another
And live as one in His name
Love one another
And we can tear down walls by His graceLove one another
And live as one in His name
We must love one another
And we tear down walls by His graceLove one another
And live as one in His name
Love one another
We can tear down walls by His grace
