

Psycho, Pt. 2

Russ

[Hook]

She got me going psycho

She got me going down

Down, down

Got me living in a tightrope

She got me going down

Down, down

She got me going psycho

She got me going down

Down, down

Got me living in a tightrope

She got me going down

Down, down[Verse 1]

Oh no, you lie

I want to, so I

Might call you tonight if I do pick up

I got some Gin in me

A hundred bands on me

I'm feelin' myself, yeah

I might say too much[Hook]

She got me going psycho

She got me going down

Down, down

Got me living in a tightrope

She got me going down

Down, down

She got me going psycho

She got me going down

Down, down

Got me living in a tightrope

She got me going down

Down, down[Verse 2]

I don't know you but I know that you special

Fuck a verse, fuck a hook I'll use the whole instrumental

Just to reiterate the commitment I have to explore

Like you would rather like a horse like my last name was Lauren

I'm only interested

Baby I'm infatuated

You been held back I'll get you to graduation

Help you with your cast
Steer you clear of tax evasion
Death grip on your ass
I call that assassination
I'm getting carried away
Let's get married today... Fuck
Here I go again like what I day back in the day
I'm crazy and you crazy too
But I love that shit
You're bad and you're broken too
But I love that shit
Just be open to the possibility of me and you
That's all I ask I've had the hoes I've got the cash now I want you
Just be open to the possibility of me and you
That's all I ask, I've had the hoes, I've got the cash[Hook]
She got me going psycho
She got me going down
Down, down
Got me living in a tightrope
She got me going down
Down, down
She got me going psycho
She got me going down
Down, down
Got me living in a tightrope
She got me going down
Down, down[Outro]
She got me going psycho..
