

# Rollover D.J.

## Jet

Got your rhymes goin' round in my head  
Got your supersonic beats mixin' up my keds  
So dance little D.J. come on  
What's your name? I wanna move but it don't feel right  
'Cause you've been playin' other peoples songs all night  
So tell what you're tryin' to say?  
What's your name? Hey rollover D.J.  
You're spinnin' away on my time  
Hey, who cares what you play?  
Say whatever you say 'cause I don't mind  
Hey, roll over D.J., if you don't mind Well I know that you think you're a star  
A pill poppin' jukebox is all that you are  
So tell me it ain't that way  
What's your name? Yeah Hey roll over D.J.  
You're spinnin' away on my time  
Hey, who cares what you play?  
Say whatever you say 'cause I don't mind  
Hey roll over D.J., if you don't mind Hey roll over D.J.  
You're spinnin' away on my time  
Hey, who cares what you play?  
Say whatever you say, 'cause I don't mind  
Hey roll over D.J. if you don't mind  
Hey roll over D.J. if you don't mind  
Hey roll over D.J. if you don't mind  
Yeah
