

# Against Privacy

## Cold War Kids

We don't gamble, we don't do the stock exchange  
We paint paintings, we write scenes for the stage  
We will talk about welfare, we will talk about sex  
Talk about the pope in Prada shoes  
Nobody gets upset, nobody gets upset  
And we're waiting  
We're waiting for your call  
We're against privacy  
We're against privacy  
Forget ex-girlfriends, we want little governments  
We tell stories, we want to get you to join in  
Call us optimistic, we get the meanest looks  
We emboss the romantics  
History books will show, history books will show  
And we're waiting  
We're waiting for your call  
We're against privacy  
We're against privacy  
And we're waiting, and we're waiting  
We're waiting for your call  
We're against privacy  
We're against privacy  
And we're waiting  
And we're waiting for your call  
We're sure that you'll agree
