

Glad When You're Gone

Nazareth

Now you say that you're leavin'
Well, it can't be too soon
And you spend all of my money
You knocked my guitar out of tune Well, you say you're sick and tired
Tired of having me around
And you call me cheatin' liar
You drove my car into the ground And I'll be glad when you're gone
Yes, I'll be glad when you're gone
And when you walk out that door
Darlin', please don't come back no more Now I wish I'd never known you
And I wish we'd never met
I was drunk, you gave me whiskey
When I was ill you called the vet And I'll be glad when you're gone
Yes, I'll be glad when you're gone
And when you walk out that door
Darlin', please don't come back no more You say that it's over
And you think you'll bring me down
If you come back lookin' for me
I'll be out there on the town Now you say that you're leavin'
Well, it can't be too soon
And you spend all of my money
You knocked my guitar out of tune And I'll be glad when you're gone
Yes, I'll be glad when you're gone
And when you walk out that door
Darlin', please don't come back no more And I'll be glad when you're gone
(Glad when you're gone)
Yes, I'll be glad when you're gone
(Glad, glad, glad, glad when you're gone)
Ohh, I'll be glad, glad, glad
(Glad when you're gone)
I'll be so glad when you're gone
(Glad, glad, glad, glad when you're gone) I gonna be glad
(Glad when you're gone)
So glad when you're gone
(Glad, glad, glad, glad when you're gone)
Yes, I'll be glad when you're gone
(Glad when you're gone)
Ohh, I'll be glad when you're gone
(Glad, glad, glad, glad, glad, glad)

I gonna be glad when you're gone
(Glad, glad, glad, glad, glad when you're gone) I'll so glad when you're gone
(Glad, glad, glad, glad, glad, glad)
Ohh, I'll be glad when you're gone
(Glad, glad, glad, glad, glad when you're gone)
