

Kitty

The Presidents of the United States of America

Out in the wide world Kitty, pretty Kitty
Out in the wide world Kitty, far across the sea
 My Kitty sailed away from me
 To strange and distant lands
 And when I asked a goodbye kiss
 She said, "Oh no, shake hands"
Out in the wide world Kitty, pretty Kitty
Out in the wide world Kitty, far across the sea
 When Kitty left she said she'd write
 He promised her the same
 But his address somehow got lost
 And she forgot his name
Out in the wide world Kitty, pretty Kitty
Out in the wide world Kitty, far across the sea
