Not Fade Away

Smokie

I'm gonna tell you how it's gonna beYou're gonna give your love to meI'm gonna love you night and dayWell love is love and not fade awayWell love is love and not fade away

My love bigger than a CadillacI try to show it and you're drivin' me backYour love for me has got to be realFor you to know just how I feelLove is real and not fade awayWell love is real and not fade away
I'm gonna tell you how it's gonna beYou're gonna give your love to meLove to last more than one dayWell love is love and not fade awayWell love is love and not fade awayWell love is love and not fade awayLove, love is love and not fade awayNot fade awayNot fade away
