

# Would You Be (Ft Brian Thompson)

## Shaggy

Oh, baby, I hope you dun get offended in anyway ya know  
But your beauty is so magnificent  
I'm just tempted to touch ya know  
Yo babe, just a meks sha a gwaan now? Would you be offended if I told ya  
I like the way you lick your lips?  
Would you be offended if I showed ya  
How I like to work those hips? Is it a rude for me to wink  
And let you know I like what I see?  
Would you be offended if I touched ya?  
Imagine how it could be You're like a jewel baby, this ain't no pick up line  
Epitome of a lady, truly one of a kind  
Wear a precious diamond with all them polish shine  
Can't wait to hold you closer, can you read my mind? Clear images for which I won't apologize  
I hope that you can see the passion in my eyes  
Won't over step our boundaries, these words are hard to find  
Stated my intentions, hope you my way inclined Tell me if I'm wrong expressing how I feel  
How can I go on if I don't know the deal? Would you be offended if I told ya  
I like the way you lick your lips?  
Would you be offended if I showed ya  
How I like to work those hips? Is it rude for me to wink  
And let you know I like what I see?  
Would you be offended if I touched ya?  
Imagine how it could be No need to be embarrassed, I know you feel the same  
You feel my record, can I say this ain't no player's game?  
You feel the spark between us, come let's ignite the flame  
'Coz if you let it pass we'll only have ourselves to blame Showing you a world of pleasure, that's my only aim  
I wanna take ya to the clouds and let you scream my name  
This is your decision, baby, stake your claim  
Take a chance 'coz if you don't then it would be a shame Tell me am I'm wrong expressing how I feel?  
Can I go on if I don't know the deal, hey? Would you be offended if I told ya  
I like the way you lick your lips?  
Would you be offended if I showed ya  
How I like to work those hips? Is it a rude for me to wink  
And let you know I like what I see?  
Would you be offended if I touched ya?  
Imagine how it could be Imagine yeah, ya mi gal I know ya unno nah udda  
Walk a king stone an keep a singing, I muss suggesting dis?  
Show you babe, I'm feeling this is right, that's right  
Don't be lonely baby, come with mi tonight

Babe, show me, show me the best time of my life, I love ya Now would you be offended if I told ya

I like the way you lick your lips?

Would you be offended if I showed ya

How I like to work those hips? Is it rude for me to wink

And let you know I like what I see?

Would you be offended if I touched ya?

Imagine how it could be Would you be offended if I told ya

I like the way you lick your lips?

Would you be offended if I showed ya

How I like to work those hips? Is it a rude for me to wink

And let you know I like what I see?

Would you be offended if I touched ya?

Imagine how it could be Oh, you send shivers up my spine

I'm feeling this is right, don't be lonely

Oh, I gotta say you look, you looking fine Baby, show me the best time of my life

I don't wanna be rude, baby

I just gotta tell you you're looking good

Yeah yeah, yeah yeah, yeah yeah
