Bloodstain (Featuring Alice Temple)

UNKLE

It doesn't matter what I say
Users and losers
There's nothing here to make me stayBloodstain on a blue vein
Take it with no shame
Love tracks on a loose train
BloodstainNo gain with no pain
My scars are deeper than you think
Tie me, try me
One more time before I sinkBig lies, big times
This love is not what we're about
It's too late, and I'm too straight
It's time to blow this fire outBloodstain on a blue vein
Take it with no shame
Love tracks on a loose train
Bloodstain on a blue veinTake me softly
I'm going crazy for your touchBloodstain on a blue vein
(Blue, blood, blue, blood, blue, blood)
Take it with no shame
(No, take, no, take, no, take)I'm alone
And dissatisfied
And someone else is alone
And dissatisfiedYou are alone
