

Bloodstain (Featuring Alice Temple)

UNKLE

It doesn't matter what I say
Users and losers
There's nothing here to make me stay Bloodstain on a blue vein
Take it with no shame
Love tracks on a loose train
Bloodstain No gain with no pain
My scars are deeper than you think
Tie me, try me
One more time before I sink Big lies, big times
This love is not what we're about
It's too late, and I'm too straight
It's time to blow this fire out Bloodstain on a blue vein
Take it with no shame
Love tracks on a loose train
Bloodstain on a blue vein Take me softly
I'm going crazy for your touch Bloodstain on a blue vein
(Blue, blood, blue, blood, blue, blood)
Take it with no shame
(No, take, no, take, no, take) I'm alone
And dissatisfied
And someone else is alone
And dissatisfied You are alone
