

Vital

Nx Zero e Armandinho

Vital, vital, vital
Vital, vital, vital
Died by the stairs
Hes the man who, ...together in space
 Searching my soul...
 breaking it all forever in me
by the boat, by the boat ...this far away
 follow this ... lead, I pray
 Vital, vital, vital
Vital, vital, vitalHes the man who, ...together in space
 Searching my soul...
 breaking it all forever in me
by the boat, by the boat ...this far away
 follow this ... lead, I pray.
