

# Friday Night

## The Darkness

Hey you!  
Do you remember me  
I used to sit next to you at school  
We indulged in all the extra-curricular activities  
We weren't particularly cool

Monday cycling  
Tuesday gymnastics  
Dancing on a Friday night  
I got Bridge Club on Wednesday  
Archery on Thursday  
Dancing on a Friday night

Hey you!  
Could you ever fall for me  
The way I fell for you  
And do you dwell upon the thoughts that I occupy  
Or do you give yourself things to do?

Monday rowing  
Tuesday badminton  
Dancing on a Friday night  
I got ping pong on Wednesday  
Needlework on Thursday  
Dancing on a Friday night  
With you, with you

Monday, Tuesday  
Wednesday, Thursday  
Dancing on a Friday night  
Let the music smother me  
Whole weekend recovery  
Dancing on a Friday night

See the lady I adore  
Dancing on the dancing floor  
Dancing on a Friday night  
God, the way she moves me  
To write bad poetry  
Dancing on a Friday night

With you.
