You Are

Dolly Parton

Sometimes I try to count the ways and reasons that I love you
But I can never seem to count that far
I love you in a million ways and for a million reasons
But more than this I love you as you are
More than this I love you just as you areYou are my inspiration, you are the song I sing
You are what makes me happy, you are my everything
You are my daily sunshine, you are my ev'ning star
Ev'rything I'd ever hoped to find, that's what you are
Ev'rything I'll ever want for 'mine', is what you areYou are my thoughts when I'm awake, and my dreams when I'm asleep
You are the reason for my smile, you are the words I speak
Every role I play in life you play the leading part
Ev'rything I'll ever want or need, is what you are
The only one I'l ever want for me, that's what you areYou are my inspiration, you are the song I sing
You are what makes me happy, you are my everything
You are my daily sunshine, you are my ev'ning star
Ev'rything I ever had in mind, is what you are
The only one I'l ever want for 'mine', that's what you areYou are my inspiration, you are the song I sing
You are what makes me happy, you are my everything
You are my daily sunshine, you are my ev'ning star
Ev'rything I'd ever hoped to find, that's what you are
Ev'rything I'll ever want for 'mine', is what you areAh, I love you
Ah, I love you just as you areAh, I love you, I love you
Ah
