

I'll Be Around (Club Mix) [feat. Timbaland]

Cee-Lo

Oh! Cee-Lo, you ready to rock wit Timbo?

(Yeah)

Oh! Let's go boy

A T L, talk to em LoHow could I possibly, be inconspicuous

When my flow is fuckin' ridiculous?

That's quite an accent, see I'm from the south

Where some of the most beautiful things come out my mouthAnd I'm on stage just as soon as I come out the house

So I might as well give them somethin' to talk about

I bust a rap to make a blind man believe in the boogey

And if you came here to move the Cee then the boogey onWhen you want me to come

(Holla)

When you want me to come

(Call me)

When you want me to come

(I'll be around)

(When you want me to come, yeah, woo)Holla, when you want me to come

(Holla)

When you want me to come

(Call me)

When you want me to come

(I'll be around)Here comes Timbaland, I'm also from the south

I like them girls with big butts, and golds in they mouth

I come from the back road, and a dirty house

If you leave the door open, moms'll cuss ya outI got a big dog in the front yard

Best buh-lieve that bitch bite hard

I gotta grand Daddy who think he Joe Clark

And that's how we do it round these parts, ohWhen you want me to come

(Holla)

When you want me to come

(Call me)

When you want me to come

(I'll be around)

(When you want me to come, yeah, woo)Holla, when you want me to come

(Holla)

When you want me to come

(Call me)

When you want me to come

(I'll be around)You see, I do what they won't do and can't do

But gon' wish they did when I'm done and with a smile on my face
 Give the trophy for second place rite after I won
 Shake his hand, firm like a man but talk to him like a son And this way I can still be a little somethin' to
 everyone
 And with that elegance, I rock climb
 To reach hints from God of relevance
 Poise, position, and the plush of a revalance
 And I'm outstandin', outspoken
 Which is the unequivocal evidence
 It is then instant vintage as it has been, ever since, ah When you want me to come
 (Holla)
 When you want me to come
 (Call me)
 When you want me to come
 (I'll be around)
 (When you want me to come, yeah, woo) Holla, when you want me to come
 (Holla)
 When you want me to come
 (Call me)
 When you want me to come
 (I'll be around) When you want me to come
 (Holla)
 When you want me to come
 (Call me)
 When you want me to come
 (I'll be around)
 (When you want me to come, yeah, woo) Holla, when you want me to come
 (Holla)
 When you want me to come
 (Call me)
 When you want me to come
 (I'll be around) Uuhh ooh! oh no! uh ooh! Sweet Sugar Lo and Timbo
 Uuhh ooh! oh no! uh ooh, them niggaz bouta get some mo' dough
 Uuhh ooh! oh no! uh ooh! Sweet Sugar Lo and Timbo
 Uuhh ooh! oh no! uh ooh, them niggaz bouta get some mo' dough
 Uuhh ooh! oh no! uh ooh! Sweet Sugar Lo and Timbo

 Oh no, uh oh, them niggaz bouta get some mo' dough
 Uuhh ooh! oh no! uh ooh! Sweet Sugar Lo and Timbo
 (Timbo)
 Oh no, uh ooh! them niggaz bouta get some mo' dough
 (We out)
