

Behind the Mirror

Angel Dust

Visions - I'm not awake - nor do I sleep
Dreamin' dawn turns to dusk
Dwarves and fairies dance on my grave
There's a door to - wonderland Fires, see fires darken the night
Brightness, dark brightness
Trapped in a hot air balloon I can't believe it
But I believe it's true There's a shark
Climbing thru' my heart Stars shine when the moon heat
Cools my thoughts
The still of the night is so noisy All faked or true
Tell me - what I will see
Is there a new world
To be found - behind the mirror Wake up - open me eyes
Light a cigarette and smoke
Smell the taste of coffee
Am I back to wonderland?
