Turn the lights down
Turn the lights down
Turn the lights downDo that little thing you know I like
Bend down and touch your toesTurn the lights down (Turn the lights down)
Turn the lights down low
Turn the lights down (Turn the lights down)
Turn the lights down lowTurn the lights down (Turn the lights down)
Turn the lights down low
Turn the lights down (Turn the lights down)
Turn the lights down low (Turn the lights down)Turn the lights down low
Baby girl, come close
I want to feel your body, oh, yes, I do
Knock that phone of the hook
See, we don't want no calls
I want to get it on right, right now with you, girlMakin' love all night long till the break of dawn (We can make love all night long)
It goes on and on and on (It goes on and on)
One on one (One on one)
One on one (One on one, baby)Makin' love all night long till the break of dawn (We can make good love all night long)
It goes on and on and on
One on one (One on one)
One on one (One on one, yeah, yeah)Tonight's the night, baby
Just don't walk, yeah
Bend on down and touch your toes, lady, oh
ain't no shame in my game
I want to take my time
It ain't no crime if you want to do the 69 {69} [69]
(69, yeah)Makin' love all night long till the break of dawn (We can make love all night long)
It goes on and on and on (Yeah)
One on one (One on one)
One on one (One on one, baby)Makin' love all night long till the break of dawn (We can make love all night love)
It goes on and on and on (Ooh)
One on one (One on one)
One on one (Baby, say, yeah)I can't wait to do fast
My lingerie's gonna drive you crazy
One on one

One on one tonightGonna turn the lights down low
Gonna take it, girl, real slow
Gonna hold you, girl, real tight
Gonna do you, do you rightWe just ain't goin' stop
Until the break of day
Baby, hold on tight
Makin' love is my forteMakin' love all night long till the break of dawn (All night long)
It goes on and on and on (It goes on and on)
One on one (One on one)
One on one (One on one, yeah)Makin' love all night long till the break of dawn
It goes on and on and on
One on one (One on one)
One on one (One on one, baby)
