

Animal

Anti-Nowhere League

Hello Mrs Shaw
Could I borrow your lawnmower?(Unintelligible) Up your body!
Why? Why me?
Why am I so lonely?I'm an animal
I'm a sexual pervert, an animal
A living abortion
I'm an animal, nobody's hero
An animal, I'm your next door neighbourEverybody hates me
Why am I so ugly?I'm an animal
I'm a sexual pervert, an animal
I'm a living abortion
I'm an animal, I'm nobody's hero
I'm an animal, I'm your next door neighbourEverybody scorns me
My wife - she doesn't know meI'm an animal
I'm an animal
I'm an animal
I'm an animal, I'm your next door neighbourEverybody shuns me
Why am I so dirty?I dream of naked ladies leaping over me
I like peeping through holes in public lavatories
Domineering women in thigh-high boots
Tying me up, whipping me!Somebody help me!
I've lost my sanityI'm an animal
I'm a sexual pervert, an animal
I'm a living abortion
I'm an animal, I'm nobody's hero
I'm an animal, I'm your next door neighbourNo sex for me!
You, you made me
You scorned my body
You degraded me
You twisted my mind
You made me unkind
You fed on my cravings
You persecuted me
You don't understand
You!
