

So Goodbye

City Hunter OST

(Yeah)

(Yeah)One word

One look

One walk on byYour silence speaks to me tonight

A question that I know the answer to

An answer that I need to hear from you

But I can't take this anymore[Chorus]

So this is the last song I sing to you

It's time I be a man and I face the truth

Lies are the tears in your eyes

I won't waste the time or the breath on you

To explain things you'd think you already knew(yeah)

So goodbye

(yeah)

Goodbye

GoodbyeOne push

One pull

One final breakThis foolish heart and your mistakes

It's hard enough to know the things you did

It's harder not to let you right back in

But I've got nothing left to say[Chorus]

So this is the last song I sing to you

It's time I be a man and I face the truth

Lies are the tears in your eyes

I won't waste the time or the breath on you

To explain things you'd think you already knew

Already knew...[Chorus]

So this is the last song I sing to you

It's time I be a man and I face the truth

Lies are the tears in your eyes

I won't waste the time or the breath on you

To explain things you'd think you already knew

Already knew..Goodbye (x9)
