

Loco (Demo)

Coal Chamber

PullSteamroller rollin' through my head said
Attached to loco power up coal
Through the system out to the right said
You're in my lightLock down the generator, on man screw
Don't use the system, use the main plan
Full power up to the point man
Don't fuck with meMe loco, me loco
Me loco, me loco
Me loco, me loco
Me loco, me locoPullSteamroller rollin' through my head said
Attached to loco power up coal
Through the system out to the right said
You're in my lightLock down the generator, on man screw
Don't use the system, use the main plan
Full power up to the point man
Don't fuck with meMe loco, me loco
Me loco, me loco
Me loco, me loco
Me loco, me loco[Incomprehensible]Steamroller rollin' through my head said
Attached to loco power up coal
Through the system out to the right said
You're in my lightLock down the generator, on man screw
Don't use the system, use the main plan
Full power up to the point man
Don't fuck with meMe loco, me loco
Me loco, me loco
Me loco, me loco
Me loco, me loco
