

# I (Revised Radio Mix)

## Taproot

I am seeing tunnel vision in a world that's dark and cold,  
I cannot believe how much I've changed since the days of old,  
I know it's temporary but  
I need to focus straight,  
I cannot believe I lost control of my fate,  
I need forgiveness from the people I truly care about,  
I need support behind my back to help me spit it out  
I am gonna win,  
I can't afford to blow this one,  
I hate myself sometimes,  
I love myself,  
I need this way of life because it holds me  
Contradiction's the way of life  
Happiness is wealthiness is healthy now  
I've made it through those lies and deceit,  
I think what's done is done and I can't complain anymore  
I am sure now that I've found myself again it feels great  
I can't believe I'd lost control of my fate
