With You

Chris Brown

I need you, boo
I gotta see you boo
And there's hearts all over the world tonight
Said there's hearts all over
the world tonight
I need you,boo
I gotta see you boo
And there's hearts all over the world tonight
Said there's hearts all over the world tonight

Hey lilÂ’ mama, ooh you're a stunner
Hot little figure, yes you a winner, and
I'm so glad to be yours
You're a class of your own and
Ooh little cutie, when you talk to me
I swear the whole world stops
You're my sweetheart and
I'm so glad that you're mine
You are one of a kind, and
You mean to me what I mean to you
And together baby there is nothing we won't do

'Cause if I got you
I don't need money
I don't need cars
Girl you're my all

And oh, I'm into you and
Girl no one else would do
With every kiss and every hug
You make me fall in love
And now I know I can't be the only one
I bet there's hearts all over the world tonight
With the love of their life who feel
What I feel when I'm with you, with you, with you, with you, with you... girl
With you, with you, with you, with you, with you... Oh girl

I don't want nobody else
Without you there's no one left, and
You're like Jordans on Saturday

I gotta have you and I cannot wait now
Hey lilÂ’ shorty, say you care for me
You know I care for you
You know that I will be true
You know that I won't lie
You know that I will try
Be your everything

'Cause if I got you
I don't need money
I don't need cars
Girl you're my all

Oh, I'm into you and
Girl no one else would do
With every kiss and every hug
You make me fall in love
And now I know I can't be the only one
I bet there's hearts all over the world tonight
With the love of their life who feel
What I feel when I'm with you, with you, with you, with you, with you... ohhh
With you, with you, with you, with you, with you... Yeah

And I will never try
To deny that you are my whole life
'Cause if you ever let me go
I would die so I won't run
I don't need another woman
I just need you or nothing
'Cause if I got that
Then I'll be straight
Baby you're the best part of my day

I need you boo
I gotta see you boo
And there's hearts all over the world tonight
Said there's hearts all over the world tonight
They need their boo
They gotta see their boo
Said there's hearts all over the world tonight
Hearts all over the world tonight

And oh, I'm into you and
Girl no one else would do
With every kiss and every hug

You make me fall in love
And now I know I can't be the only one
I bet there's hearts all over the world tonight
With the love of their life who feel
What I feel when I'm with you, with you, with you, with you, with you... ohhh (girl)
With you, with you, with you, with you, with you... ohhh
With you, with you, with you, with you, with you...
With you, with you, with you, with you, with you...
Baby yeah
