## Fantastic Negrito

Rant Rushmore by Fantastic Negrito Most of my fear... is sitting right here with you... for the rest of my life

And all of this pain... all of this came...

from the game that your mama and your daddy played and abused

So I am trying to get away... trying to break free...

From this twenty first century... slaveship drama...mmmm

And the beautiful dream it seems...Has turned to a bitter scene

I'm eating cold macaroni for dinner

Cos I'm a lifelong sinner

Amen... Amen... Amen...I feel that change coming

Bitch eat my cancer... Then I know we're really dancing

Bitch eat my cancer... then I know we're taking chances

X2

Most of my guilt... All of my tears... flowed like a river

Cos I failed and I could'nt deliver...when I started to shiver

I said fuck the whole world... I'm a little girl... I'm a little girl

I'm a big black dog...I'm a killer... all over the place

I'm trying to rehabilitate... from the self hate... from the self rape

I forgive you mother... woohooaw

Lord I'm down on my knees... praying I feel the shame

For all the things that I've done wrong... mmmmm

Amen.... Amen... Amen...

I can feel that change coming x2Bitch eat my cancer etc... Amen etc
