

Faithful (with The Skylarks)

Frank Sinatra

Faithful, true as the stars above
And while I live, I shall give all my love
So faithful, praying that evermore
You'll love but me as the sea loves the shore
In everything I'll do my part
Love's golden ring is 'round my heart
Faithful, that's what I'll be to you
Oh, promise me you will be faithful too
Faithful, true as the stars above
And while I live, I shall give all my love
In everything I'll do my part
Love's golden ring is 'round my heart
Faithful, that's what I'll be to you
Oh, promise me you will be faithful too
