

# A Tower Bends

## House of Large Sizes

Well all right!  
You want it, well I got it  
Just a second, please try thinkin'  
Mom and Dad keep forgivin'  
A little man who keeps takin'  
Black Jeans, or Mr. Taylor  
Long hair, short hair  
Long hair, short hair  
What the hell, just happens to fit  
That's what you are  
What am I?  
Why not?  
El Camaro, Ventura  
A couple bills and shoelaces  
(?)  
(?)  
Mr. Death has bad breath  
That's why they call it hell  
That's why they call  
They call it hell  
A tower bends  
As with a problem  
I've got a problem
