Hungry For Love

Curses!

Mom's old fashion cooking
Caviar and champagne
A meal at McDonald's
Nothing fills a man when he's hungry for loveGive him love, make him feel all right
Give him love, help him sleep at night
Give him love, give him one more bite
He's hungry for love give him thatAn ounce of sweet Jamaican
A snowy spoon of powder
A half a pint of Bush mill's
Nothing gets you high when you're hungry for loveGive me love, make me feel all right
Give me love, help me sleep at night
Give me love, give me one more bite
I'm hungry for love give me love, give me loveGive me, give me, give me, give me, give me some lovin'
Give me, give me, give me, give me, give me some lovin'
Give me, give me, give me, give me, give me some lovin'
Give me love, give me loveGive me, give me, give me, give me, give me some lovin'
Give me, give me, give me, give me, give me some lovin'
Give me, give me, give me, give me, give me some lovin'
