

Heaven 90210

Urge Overkill

You see them coming
The queen of hearts and the king of fools
Me and Innocence, just playing cards by the swimming pool
They pull me out of an empty place
Left me all alone, I wanna touch you
Think I'm movin' on back to Kansas
And I thought that savin' you would save me
When she comes to me and takes my hand
When pain is all I know
She gives me heavenly thrills, 90210
Lookin' at you as the sun was risin'
Nothin' to do, just-a-watch at the man upon the moon

Look into his eyes and the sad blue glow
And it ain't surprisin', no
To see a blind man lookin' twice
Before he crosses the road, yeah
California, don't slip and slide into the sea on me
The sun still shines in L.A. when you're gone
When she comes to me and takes my hand
When pain is all I know
And gives me heavenly thrills, 90210
Just gives me heavenly thrills, 90210
She gives me heavenly thrills
