Lloyd

Yeah sometimes you are so in love but
You just don't know the right words to say
So say this Na Na (na na) Na Na (na na)
Yea yeaaaa na na (na na) na na (na na)
See my girlfriend's been number one since the day that we first met
And I just caint resist the way she wore that sexy dress
So now
Im committed she was feeling me caus she
Likes the way I wear my white tee
She said she missed me since I've been around
See if I touch her she gone break it down
Only for show see I'm gone get it
She gone feel it caus she look so sexy in my jersey
And if you ever ever felt this way
You know that it's hard just to try to find the words to say
Girl I got you when ever words runway
I look at my boo and say
Na Na Na Na Na Na Na
If you in love with your man and you do all that you can
For show so that he never have a reason to go
