

# No Matter

## Heavens Gate

No matter what I say, no matter what I do  
Never got any compliments, no respect from you  
With frozen feelings, that's the way I had to live  
You really like to take, but you don't give So what's the reason to live a life in hell  
You better listen now to the words I say  
No more broken hearts, I can't stand the pain  
It's all over, my life starts again  
No more broken hearts, I can't stand the pain And I'm free forever  
Free forever But sometimes in my heart, when I feel alone  
Doubts going through my mind, am I right or am I wrong?  
No more broken hearts, I can't stand the pain  
It's all over, my life starts again  
No more broken hearts, I can't stand the pain
