Fall In The Light

Lori Carson

It's in this moment, Hold on
When everything has come apart
It's in this moment
Right now
When it can come togetherRaise your sights
What's there to lose?Fall in the light
In all this trouble, Hold on
To the innocence with which you were born
There's so much struggle
Be strong
Find the faith you need to carry onIt's a long night
You're not aloneFall in the light
Sweet air
It falls into place
Sun through the haze
Doesn't it feel a
Little like graceIt's in this moment, Hold on
When everything has come apart
It's in this moment
Right now
When everything - come togetherRaise your soul
What's there to loseFall in the light
Hold on
I know you'll catch me
