

# Afterglow (Of Your Love) [Alternate US Mix]

## Small Faces

Your love  
Love is all around me  
Everywhere  
Love has come to touch my soul  
With someone who really cares  
No one can deny us  
People who once passed me by  
Will turn their heads  
I'm happy just to be with you  
And lovin' you the way I do  
Is everything I need to know  
Just restin' in the afterglow (of your fire/love) You  
Yes, you have always been here  
A feelin' deep inside  
A feelin' that I could not see  
Or touch, or try to hide  
My love is in and without you  
I bless the day that I found you  
So listen baby  
I'm happy just to be with you Love is like a voice in my head  
Keeps turning out (all) the things that we said
