

# Ritual (Live From Lollapalooza Brasil 2014)

## Ellie Goulding

We're right into a place of fire  
We hold our heads up high tonight  
And we breathe the smoke of fear we owe  
We let our hearts upside tonightBut in my scarred skin cause I know I've sinned  
And it plagued the air on my house Ruben  
There's a sound of him in the darkest words  
And I know my own fears, I understandIt's a ritual, I know you feel it  
It's a ritual, I know you've seen it  
It's a ritual, I know you feel it  
You feel it, you feel it, you feel itInto the death and shoots as far  
Too late to be with you'd from high  
You see it's a thought those guys was he  
Our faith he'll hear our cries a ghostAnd he won't stop here, acting with my fear  
There's a raging fire and it burns so mean  
But I'm ready now, but I'm ready nowIt's a ritual, I know you feel it  
It's a ritual, I know you've seen it  
It's a ritual, I know you feel it  
You feel it, you feel it, you feel itIt's a ritual, I know you feel it  
It's a ritual, I know you've seen it  
It's a ritual, I know you feel it  
You feel it, you feel it, you feel itThe ritual, we lose it all  
The ritual, we lose it all  
The ritual, we lose it all  
The ritual, we lose it allIt's a ritual, I know you feel it  
It's a ritual, I know you've seen it  
It's a ritual, I know you feel it  
You feel it, you feel it, you feel itThe ritual, we lose it all  
The ritual, we lose it all  
The ritual, we lose it all  
The ritual, we lose it allThe ritual, we lose it allThe ritual, we lose it all  
The ritual, we lose it all  
The ritual, we lose it all  
The ritual, we lose it all
