Bad Mood

What's Eating Gilbert

You can be tired because you never sleep at night
You can be stressed because your work's not going right
Feeling depressed 'cause all your friends have let you down
But when you act like this, I don't wanna be aroundDon't take your bad mood out on me
Don't take it out on me
[x2]You can be mad that the world is on your back
Say, "I just don't get it," but you won't give me the chance
So frustrated feels like nothing you can do
But, baby, if it were me, I wouldn't take it out on youDon't take your bad mood out on me
Don't take it out on me
[x2]I'm here for you through the ups and downs, downs
I will carry your pain, I will hear you out, out
But punching bags have seams
They can wear down, you see
And mine's on its last thread, so settle down for me, soDon't take your bad mood out on me
Don't take it out on me
[x4]Don't take it out on me (Don't take it out on me) [x2]
Don't take it out on me
