Change Your Life

Little Mix

[Leigh-Anne]She captures her reflection when she throws the mirror to the floor,
Her image is distorted screaming is it worth it anymore?
[Jade]nooo
[Jesy]Are you scared of the things that they might put you through?
Does it make you wanna hide the inner you?
[Jade]You're not the only one so let them criticize
You're untouchable when you realize oh oh oh
[All]Change change your life take it all,
We're gonna stick together ,
Know we're gonna get through it all,
Change change your life take it all [Perrie](take it all)
You're gonna use it to become what you've always known
(become what you've always known)
[Leigh-Anne]His body starts to flicker like nobody wants to know his name,
just another soul with feelings but nobody there to feel the pain
[Jade]no no no

[Jesy]They can rip you bring you down down to their size,
but they will never get to the heart you hold inside, hmm
[Jade]You're not the only one so let them criticize,
You're untouchable when you realize oh oh oh.
[All]Change, change your life take it all, [Perrie](Take it all)
We're gonna stick together , know we'll get through it all, [Jade](I know we'll get through it all)
Change change your life take it all, [Perrie](take it all)
You're gonna use it to become what you've always known
(become what you've always known)
[All]Change change your life take it all, (change your life and take it all)
change change your life take it all, (change your life and take it all)
[Leigh-Anne]You've got a right to show the world, something never seen
We wanna hear you scream it out, you're not alone
[All]oh oh oh ohhhh
Change, change your life take it all, [Perrie](take it all)
We're gonna stick together, know we'll get through it all, [Jade](we're invincible)
Change change your life take it all, (change your life and take it all)
You're gonna use it to become what you've always known
(become what you've always known)
