

# The Preacher

## Mercyful Fate

You believe in heaven  
You believe the devil is here  
When you ring your demon bell  
You think I'll end up in hell Oh, yeah, you're the preacher  
You're the devil  
You're the preacher  
Hiding in the underworld, that's you I can't wait to see your final show  
Yeah, yeah, yeah, I'm gonna miss you so I believe you're crying  
You're not the only one  
Have you ever seen the light  
I bet you're scared of the night Oh, yeah, you're the preacher  
You're the devil  
You're the preacher  
Hiding in the underworld, that's you I can't wait to see your final show  
Yeah, yeah, yeah, I'm gonna miss you so Oh, yeah, you're the preacher  
Yes, you're the devil You're in the fire  
You're such a liar my dear  
If you had a soul to sell  
I bet you'd end up in hell Oh, yeah, you're the preacher  
You're the devil  
You're the preacher  
Hiding in the underworld, that's you I can't wait to see your final show  
Yeah, yeah, yeah, I'm gonna miss you so
