

# and we danced

## Stylus

And we danced, and we cried  
and we laughed and had a really really really good time  
Take my hand, let's have a blast  
And remember this moment for the rest of our lives  
Our lives, our lives, our lives, our lives  
Oh, oh, oh, oh, oh, oh, oh, oh, oh  
Tonight, tonight, tonight, tonight, tonight  
'Cause tonight's the night  
Am I right?

Dance!

Feels like night for a party  
My nature so naughty  
There's a knock on the door, it's the neighbors  
Quick cock blocking  
We're having a ho-down, you hoe's down?  
Don't let me pull my hose out  
'Cause it's big, long, pink, strong  
And known to dance like all night long  
Grab my hand, play this song  
DJ save my life, come on  
Leave your fear, back off the wall  
Free of beat and pussy pop  
If you don't have a pussy  
Pop a cock into a booty  
To a booty

And we danced, and we cried  
And we laughed and had a really really really good time  
Take my hand, let's have a blast  
And remember this moment for the rest of our lives

I am not, I am not going to stand on the wall  
I will dance, I will dance, I will break that ass off  
And I see you in the corner, corner looking so small  
Doing the robot like if I die tonight at least I went hard  
I will not, I will not give a damn who watches me  
I will live, I will live liberate the fox in me  
I will be the discoball, freak and give my all

To whatever girl's booty I'm freaking on  
I'm not skeeting nah, it's just freaking hot  
    Alright I skeeted  
    I will not be a mannequin  
        The ego banish it  
        The roof's on fire  
        Let's burn down the Vatican  
I will moon walk to Pluto in honor of Michael Jackson  
    In heaven he'll be saying that man is tight at dancing  
RIP to the king, Michael Jackson, we learned it all from you  
    Dedicate this to the dance floor  
    Party up the sorrow 'til tomorrow morning happens  
        We pledge allegiance to the DJ put your hands up

    And we danced, and we cried  
And we laughed and had a really, really, really good time  
    Take my hand, let's have a blast  
    And remember this moment for the rest of our lives

You see me looking at you from that bar right over there  
But your friends are huddled up and they are hating on a player  
    I just want to dance with you, get on the back of you  
    Tip tap the boots, extract the truth  
    Da-Dance with you, get on the back of you  
    Da-Dance dance dance  
        Awesome

    Oh-ee, oh-ee, oh  
    Oh-ee, oh-ee, oh

    Hey-oh, hey-oh  
    Hey-oh, hey-oh

    Uh-ah-ba-bo  
    Uh-ah-ba-bo

    Zib-oh-da-we-bab-ba-dap-bop-bop  
    Zib-oh-da-we-bab-ba-dap-bop-bop

    And we danced, and we cried  
and we laughed and had a really really really good time  
    Take my hand, let's have a blast  
    And remember this moment for the rest of our lives
